

## **FedEx Helps Send Unemployment Applications**

If you need to file your Unemployment Application, fill it in, print it out, and bring it to my FedEx Office store on Airport Blvd. We will send it for you at no charge. If you dont have a printer, come to the store and we will give you one to fill out and then we will send it for you!

Just a small way FedEx Office is trying to do our part to lend a helping hand.

SHARE THIS. A single act of kindness can help one, thousands, if not millions. (At this time, we only know this is being offered in Florida - for now. Also, only a FedEx Office Print and Ship Center can print and ship these for you.)
