## Event Programme

Wednesday 19th - Thursday 20th June 2019

EXCELLENCE IN  
HEALTHCARE

Shrigley Hall Hotel & Spa  
Near Macclesfield  
Cheshire  
SK10 5SB  
United Kingdom

Excellence In Healthcare brings together senior leaders from across Health and Social Care to network with each other and discuss the current hot topics including:

- Busting Myths
- GDE Site Updates
- Digital Transformation
- Plugging the nursing gap
- Electronic Patient Records
- Technological implementation
- Collaborative Working - Beyond STP's
- Reducing Hospital Admissions - Being proactive rather than reactive

Attendees will be able to share their own experiences and the challenges they are currently facing. In addition, you will then have the opportunity to look at different ways of addressing these problems and an overall look at where we were, where we are and what needs to be done.

## EPR Implementation -

### You need Digital Transformation first!

Calderdale and Huddersfield NHS Foundation Trust along with Bradford Teaching Hospitals NHS Foundation Trust have an EPR system which is being hailed as the most successful in Europe.

However, rather than looking at the EPR system on its own the HIS and both trusts looked at what else needed to be in place in order to deliver the programme which triggered an organisational wide Digital Transformation project. Mandy will talk about the journey taken including infrastructure, outside collaboration and much more

**Mandy Griffin**  
Managing Director

17:00 - 17:30

### The Art of the Possible - Using Technology to Reduce Admissions and Attendance

This presentation describes the service provided both to people at the end of their life and to residents in care homes by the staff in the Digital Care Hub at Airedale NHS Foundation Trust.
