Advent 2026

GOSPEL VOICES

Enter into the sacred rhythm of Advent through the voices of the four evangelists: Matthew, Mark, Luke, and John. Each week offers a deep exploration of one gospel writer's perspective on the coming of Christ, weaving together scripture, reflection, prayer, and action. The structure encourages a holistic Advent spirituality—waiting, watching, repenting, and rejoicing—guided by Jesus's disciples and friends. The book includes questions for individual reflection and small group study.

In preparation for the celebration of the birth of Jesus, it makes sense that, as Christians, we should, as Thomas Merton so famously said, read, learn, and inwardly digest the Holy Gospels.
