8th Grade Tiny House Project

As part of a year-long project focused on the housing crisis in Seattle, the 8th grade class of St. Therese Catholic Academy embarked on a mission to build a tiny house for someone in need. As you can see in the parking lot, we have made significant progress.

To raise money for supplies, the 8th Grade started a Go Fund Me account, found at https://www.gofundme.com/StThereseAllStars?shartype=teams&member=1561050&rcid=r01155907476364-040969ac424a430d&pc=ot_co_campmgmt_w

New Pew Cards for Prayer Intentions

Prayer is central to our faith and there are many times when we want to call upon our faith community to pray for us or a loved one going through a difficult time or facing illness. For those times, the Communications team has created the Prayer Request card that you will find in the pew racks beginning **this Sunday, June 9.**

If you would like to request prayers for yourself or a loved one, please write out your prayer on a card and place it in the collection basket during the Offertory collection. The prayers will be separated from the financial offering and placed in the prayer box near the altar so they become part of our collective prayer during Mass.

Come and Rejoice!

ST. THERESE CATHOLIC ACADEMY

IGNITING FAITH, MINDS & DREAMS SINCE 1927

St. Therese Catholic Academy is proud to announce and celebrate our graduating Class of 2019! This year's 8th Grade graduates truly exemplify what we want all of our students to be:

Faith-filled servant-leaders

Responsible lifelong learners

Respectful and compassionate community members

In their years at STCA, this group of students and parents weathered early administrative transitions and the resulting student transitions that accompanied these changes. However, these transitions formed a core group of students and families who persevered through challenges and now leaves us ready to excel spiritually, academically, and socially in high school, college, and beyond! This class grew from only 6 students in a combined class (3rd/4th) in 4th Grade in 2014-15 to 13 on graduation day. They embraced new students and families with open arms, respect, and compassion, and their rapport and sense of family in and out of the classroom and school is self-evident. These students spearheaded the addition of project-based learning to our middle school curriculum this year and the result of this idea is them putting their faith into action in the work of building a Tiny House for a local Tiny House Village. Not only does this class leave a legacy of leading by example through their behavior and pursuit of academic excellence, they also demonstrate their responsibility and love to their neighbors in need with this endeavor that will make a difference in someone's life and our community for years to come.

As we send forth the Class of 2019 on Friday, June 7, at 6pm from our church, we do so with faith, confidence, and trust that this group of children WILL make our community, church, nation, and world a better place because of who they are and who they will become as a result of their foundational years at St. Therese in partnership with their parents and their own hard work along the way.

Thank you, Class of 2019, for reminding us of what being disciples of faith, knowledge, and service is all about! May God bless and guide your next steps in high school, college, and beyond!

Mr. Matthew D. DeBoer, Principal
