

Wildcat Club—First Quarter

The Wildcat Club is an organization for St. Paul students in grades 3-8. During the First Quarter, the Wildcat Club will experience Kendama. Kendama is an enjoyable wooden skill toy that comes from Japan. **It strengthens hand eye coordination, balance, and reflex.** It can be played by young and old alike. There are endless trick possibilities for both the beginner and the seasoned master. Students can bring their own kendama or can use one supplied by generous donations from St. Paul's PTO. Any student in 3-8th grade can participate as long as they have a signed permission slip. Students need not attend every single meeting. Principal Matyas will be the adult in charge.
