

Complexities of High Risk Breast Care: Clinical Post-Conference

Complexities of High Risk Breast Care: Genetics, Management and Risk Reduction

Chairs: Sandhya Pruthi, MD & Kim VanYsseldyk, FNP-BC, AOCNP, ACGN

Multidisciplinary team of breast and genetics experts will cover breast cancer risk assessment, polygenic risk score, breast imaging, management of hereditary breast cancer syndromes, risk reducing medications, hormone replacement in the high risk woman, and oncofertility considerations. Interactive clinical case discussion with a panel of experts. Understand the nuances of management for patients with hereditary cancer syndromes, complex genetics results and use of risk reducing medications in patients with comorbidities.

Tuesday, March 19

8:00 - 8:30 am	Update on Breast & Ovarian Cancer Genes: Risk Levels & Management Allison W. Kurian, MD, MSc	FOLLOWING THESE TIMES ATTENDEES CAN RECEIVE UP TO 7 CREDITS FOR THE DAY
8:30 - 9:00 am	IBIS/Tyrer-Cuzick Model & Incorporation of Single Nucleotide Polymorphisms & Polygenic Risk Score & New Risk Factors Jack Cuzick, PhD, CBE, FRS, FMedSci, PRCP(hon)	
9:00 - 9:30 am	Breast Cancer Risk Reducing Medications & Risk of Thrombosis Rajiv Pruthi, MD	
9:30 - 10:00 am	Hormone Therapy Management for Very High Risk Women & High Risk Hereditary Cancer Syndrome Sabrina Sahni, MD	
10:00 - 10:15 am	Break	
10:15 - 10:45 am	Reproductive Challenges in the Management of Hereditary Cancer Mutation Carriers Lynn Westphal, MD, FACOG	
10:45 - 11:15 am	Management of Complex Genetic Testing Results Laura Ongie, MS, CGC	
11:15 - 12:15 pm	Challenging Cases in Genetics & High Risk Sandhya Pruthi, MD & Kim VanYsseldyk, FNP-BC, AOCNP, ACGN Moderating with Lynn Westphal, MD, FACOG; Sabrina Sahni, MD; Laura Ongie, MS, CGC; Allison W. Kurian, MD, MSc; Rajiv Pruthi, MD & Jack Cuzick, PhD, CBE, FRS, FMedSci, PRCP(hon)	
12:15 - 1:30 pm	Lunch	
1:30 - 2:00 pm	Surgical Management of Women with Moderate & High Risk Breast Genes Akiko Chiba, MD	
2:00 - 2:30 pm	Risk Reducing Endocrine Therapy for Hereditary Breast Cancer Mutations & High Risk Women Aparna Kaur, MD	
2:30 - 3:00 pm	Future of Breast Imaging in High Risk Women Amy K. Patel, MD	
3:00 - 3:15 pm	Break	
3:15 - 3:45 pm	The Hollywood Effect: Misconceptions & Social Media Madaline Talamantes, MS, CGC	
3:45 - 4:45 pm	Management of Complex High Risk Patients Cases Sandhya Pruthi, MD & Kim VanYsseldyk, FNP-BC, AOCNP, ACGN Moderating with Akiko Chiba, MD, Amy K. Patel, MD; Aparna Kaur, MD & Madaline Talamantes, MS, CGC	
4:45 pm	Lectures End For the Day
