

Post-Conference Course

Dr. Harold Freeman Patient Navigation Institute Navigation Review Course

Harold P. Freeman MD; Rebecca Crane-Okada, PhD, RN, CNS, AOCN; Courtney Bowen MS

Healthcare professionals and advocates including but not limited to nurses, radiology technicians, other licensed providers and non-licensed navigators will be presented with the most current information on navigation of breast patients across all phases of the healthcare continuum including outreach, screening, diagnosis, treatment and survivorship. The curriculum will include various modules of navigation which will familiarize participants with the skill sets required to navigate breast patients through various phases of the health care continuum. The trainees will be provided with pertinent information in preparation of the NCBC certification examination
