

5 Reasons to Host an Intern

1. Develop existing staff through mentoring
2. Create a talent pipeline for entry-level roles
3. Build your brand with hundreds of highly engaged students
4. Free up your time to work on advanced projects
5. Interns bring a fresh perspective and latest trends straight to your door!

Vista Unified School District and the Workforce Partnership are working together to identify career exposure opportunities for youth in our community.

Internship sites are asked to provide a meaningful experience for about 5 hours per week between January - June 2019. Contact us to learn more!
