

Nov/ Dec Volunteer Spotlight

ARLYNDA BREEDS

Volunteer Position : Finance Chair

Position / Years Served

Over 2 years directly with Open Door and 5 plus years with Barbara

Arlynda's Memorable Moment with Open Door

The end of year/Christmas Potluck has always been a time I enjoy seeing the students come and just relax and enjoy the evening with their families. It is wonderful to see how much support they receive from not only the teachers but their friends and families. It is a privilege to be able to attend this event to see how everyone shows their gratitude and appreciation to each other. The program has definitely become more than just a place to learn, it has formed bonds and friendships for years to come.

Volunteering Outlook

Open Door is a program that not only teaches but reaches the students. These students are so appreciative and grateful for everything that is done with this program. It is definitely humbling to see the excitement and encouragement on the students' faces every time they come to an Open Door event.

Calvary Open Door in Three Words
