

VITERBI SCHOOL OF ENGINEERING MASTERS STUDENT HOUSING

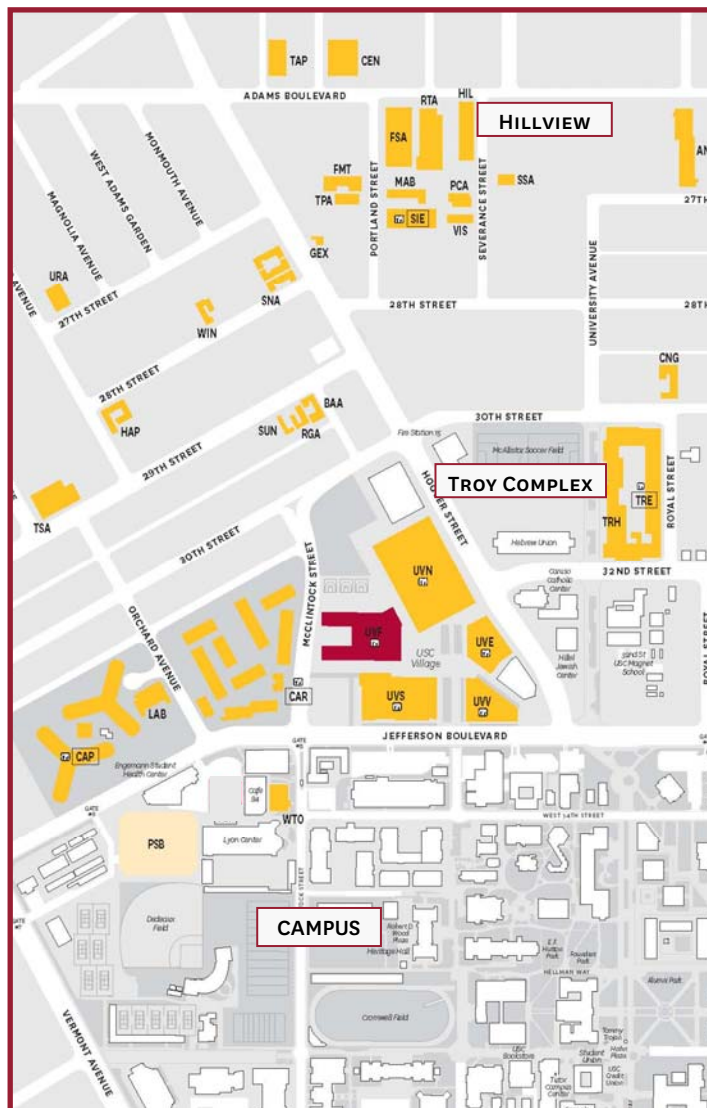

USCHousing

USC Housing is offering safe, convenient, and fully-furnished housing at competitive rates in Troy Complex Apartments and Hillview Apartments to first year masters students in the Viterbi School of Engineering. Since apartments are prioritized for program participants, it provides residents the opportunity to live and study alongside their roommates—other Viterbi students.

Spaces in the program will be assigned first-come, first-served based on application date. Priority will be given to students submitting their applications to USC Housing by April 28, 2023. Housing applications will continue to be accepted after April 28 with assignments made on a space available basis.

Troy Complex, made up of Troy East (TRE) and Troy Hall (a building for undergraduates), and Hillview (HIL) are located in North University Park, where most of the university's graduate students live.

Troy is about a block from the main campus, and Hillview is at the corner of Adams Boulevard and Severance Street. Both are close to public transportation, and within USC's Department of Public Safety's patrol zone.
