

Hello,

My name is Adam Lupp, and I am the Food Service Director for Aramark, Indian Hill's food service provider. Welcome to the 2026-2027 school year!

The food service operation at the Middle School is quite different from the lunch program at the Elementary School, so I wanted to take a moment to explain some of these changes.

Middle School lunch operates as a fully à la carte cafeteria. This means there is no set lunch meal served each day. Instead, students have the flexibility to build their own meals and purchase items individually. Our cafeteria offers a variety of healthy and delicious options, including:

- Fresh salads
- Fruits and vegetables
- Pizza
- Chicken sandwiches
- Cheeseburgers and hamburgers
- Made-to-order deli sandwiches
- And much more!

In addition, we will feature a daily Lunch Special that provides even more variety for students.

A list of our daily offerings and prices, as well as the monthly Lunch Special menu, will be posted on the Indian Hill website under Students/Parents - Food Services.

The process for adding money to student accounts remains the same. Funds may be deposited through MySchoolBucks, or by cash or check in person. Please note that we are unable to provide change for cash deposits made at the register.

We understand that this new system provides students with a great deal of flexibility when making purchases. To help families manage spending, we can place daily spending limits or other account restrictions on student accounts. If you would like to establish any parameters, please feel free to contact me directly.

If you have any questions about the Middle School lunch program, please do not hesitate to reach out.

Thank you, and have a wonderful school year!

Sincerely,

Adam Lupp
Food Service Director
