

## Neighborhood Assistance Program (NAP) Credits

The purpose of the [\*\*Neighborhood Assistance Program \(NAP\)\*\*](#) is to encourage businesses, trusts and individuals to make donations to approved 501(c) (3) organizations for the benefit of low-income persons. In return for their contributions, businesses, trusts and individuals will receive a tax credit for 50% of their donation that may be applied against their state income tax liability.

NAP credits offer RxP an opportunity to give back to our donors in the form of tax credits. Unlike a tax deduction, a tax credit reduces a donor's tax bill dollar-for-dollar. For example, under these guidelines a **\$2,000 gift would generate \$1,000 in tax credits to go directly towards the donor's Virginia state taxes.**

### Additional Details:

- Credits are being offered at 50%
- Minimum gift for new donors is **\$500\*** and for previous donors is **\$1,000**
  - \*Per VDSS, a minimum gift for an individual is \$500, for a trust is \$616
- A maximum of **\$1,500** worth of credits is available per individual

RxP has a limited number of NAP credits to give to donors that make a qualifying donation.
