**Venue: Angie's Home**

God called Samuel during a most tragic era of Israel's history, a time of crisis after crisis resulting from God's chosen people turning away from Him and going their own way, as people do. As Christians, we are not immune to crisis. Sometimes it's a result of turning away from God and going our own way; sometimes it comes without reason or warning. No matter the situation God always invites us to turn toward Him in the crisis. When we do, we can hear His voice calling us and respond, "Speak Lord, for your servant is listening." Join us as we learn from 1 & 2 Samuel how to respond to God in times of trouble. **Childcare Provided.**

**Romans** by John MacArthur - **Tuesdays 9:30 AM {Start Date: 9-13-22}**  
**Leader: Mary Cox (cell: 971-281- 0498 / home: 503-630-3444)**  
**Venue: Mary's Home**

Join us as we revel in the book of Romans—a masterfully written exposition on God's grace and the righteousness that comes by grace through faith. Romans is the foundation of the entire Christian faith and has wonderful truths inside. We trust that you will be encouraged as we walk through this study with John MacArthur exploring how righteousness comes by God's grace alone, the truth that God justifies condemned sinners, and the promise that faith in Christ alone brings redemption.

**Bible Marathons – Wednesdays 6:00 PM {Start Date: 10-5-22}**  
**Leader: Michelle Underwood (503-358-5857)**  
**Venue: Michelle's Home**

Are you desiring accountability in God's Word? Join us as we set aside time to look at larger portions of Scripture together and drink deeply from God's Word. We will follow the sweep of themes and interrelatedness throughout Scripture as we identify specific topics and verses that speak directly to us and then take time to respond to the Lord in prayer. Our desire is to deepen our love for God, for His Word and for one another as we grow and are transformed through the active and living Word of God.

### Bi-Monthly Study:

**I and II Peter – Tuesday (1<sup>st</sup> and 3<sup>rd</sup>) 6:30 PM {Start Date: 10-4-22}**  
**Leader: Kim Dodrill (503-201-8674)**  
**Venue: EFBC (Classroom in Children's Wing)**

The apostle Peter was a changed man after meeting Jesus and a powerful influence once he was filled with the Holy Spirit at Pentecost. After 30 years of walking in the Spirit, while he was in Rome, Peter wrote two letters to believers because they were experiencing persecution for living faithfully for Jesus in a hostile society. Slander and social ostracism (exclusion) and other forms of persecution were common. In his first book, Peter calls believers to holiness in spite of how they are treated and in his second book, he warns against false teachers. Come join us as we ask the Holy Spirit to teach us and encourage us as we live faithfully in our culture.
