

Dear Friends & Donors:

7 Rueally

Thank You! Thank You! Thank You! We wanted to let you know how thankful we are for your dedication to our Club.

The members of the Club have been busy. Seems like just yesterday, our members were starting the school year off excited to start another school year and in less than a month our kids will be out for summer break. We are geared to have the kids all day. In the summer, we provide our young people with breakfast, lunch, snacks, and over 10 hours of quality programming, including arts, crafts, reading, sports, games, special event days, STEAM, theatre arts, and so much more. These activities have not only kept our kids engaged but also helped them develop new skills and interests. We take them on field trips and three lucky teen Leaders In Training (LIT) members will be going to South Africa. They will be working with the Boys & Girls Club in Soweto. We are teaming up with Edward Jones for a Financial Fitness programs with our teens. Our members are also excited about attending the Free Summer Movies at the Mary Pickford, sponsored by the Cathedral City Parks & Community Events Commission.

Our youth will have a summer of non-stop activities, making new friends, bonding with adult mentors, and creating a summer they won't soon forget. We want to thank you for making this a possibility.

Hugs,

Members of the Boys & Girls Club of Cathedral City

Dear Palm Springs Corvette Club,

On behalf of the Twentynine Palms, CA-Armed Services YMCA, and the young military families we serve, please consider this letter as a small token of our appreciation for the generous donation of \$2,255.00. Because of your gift, we are able to continue fulfilling our mission of *"enhancing the lives of military members and their families in mind, body, and spirit through programs and services that are relevant to the unique challenges of military life."*

Your thoughtful contribution means the world to those who serve our country so selflessly. Without the heartfelt support of the larger community, we would not be able to offer programs, services, and events that are so critical to the lower enlisted Marines and their families here aboard the Marine Corps Air Ground Combat Center.

If you would like to stop by the Base one day for a visit, or if you have any questions, please do not hesitate to contact me via phone at (760) 835-2352 or pbyrne@asymca.org.

Again, thank you for your goodness to our military and their families!

Gratefully,

Patrick Byrne

Dear Stan,

The Corvettes of Bakersfield would like to thank you again for attending the 2024 Gambler's Classic. We enjoyed meeting and socializing with all of you. In addition, your club, once again, won a donation to the charity of your choice for having the most club members in attendance at Gambler's Classic. Your club chose to split the donation between two charities.

Please find enclosed copies of the letters we sent to your selected charities. The donations have been mailed to the charities in your name. Thank you for participating and we look forward to future good times together.

Sincerely,

Kim R. Miller/Treasurer

Dear Mr. Robinson,

The Corvettes of Bakersfield, a 501(c)3 non-profit charity, recently sponsored our annual car show in Laughlin, NV. There were car clubs from all over the western United States in attendance. Again this year, the Palm Springs Corvette Club won a contest for having the most participating members at the show. Their prize was a donation to a charity of their choosing. The Boys and Girls Club of Cathedral City was selected by the Palms Springs Corvette Club to receive a donation on their behalf.

Please find enclosed a check for \$500 to go toward providing a positive impact on young lives by building self-esteem and encouraging the development of values and skills during critical periods of childhood growth. Your efforts and dedication to this cause are commendable.

Sincerely,

Kim R. Miller/Treasurer

Dear Mr. Fisher,

The Corvettes of Bakersfield, a 501(c)3 non-profit charity, recently sponsored our annual car show in Laughlin, NV. There were car clubs from all over the western United States in attendance. Again this year, the Palm Springs Corvette Club won a contest for having the most participating members at the show. Their prize was a donation to a charity of their choosing. The ALS Association Golden West Chapter was selected by the Palms Springs Corvette Club to receive a donation on their behalf.

Please find enclosed a check for \$500 to go toward discovering treatments and cures for ALS and serving and empowering people affected by ALS to live their lives to the fullest. Your efforts and dedication to this cause are commendable and we are proud to be able to help.

Sincerely,
