

## Gardening Resources for the Monadnock Region

Monadnock Grows Together is a free local resource for gardeners and small-scale urban farmers looking for advice, information, and support. Workshops & events provide a place to connect with other community members.

- **Access 1-on-1 technical assistance from our Urban Ag & Gardens Coordinator**
- **Attend free gardening workshops**
- **Borrow gardening tools from the Keene Public Library**
- **Access free seeds & participate in seed saving at the Keene Public Library**
