

Monadnock Farm Share Program

2021 Participant Application

Applications accepted: March 1 – May 1.

This program was developed for limited income residents of the Monadnock Region. To be eligible for this program your annual household income must not exceed \$50,000/year.

The goal is to make Community Supported Agriculture (CSA) farm shares accessible to more individuals and families. Apply early – applications will be approved on a first come first serve basis, and funding is limited.

Submitting an application does not guarantee that you will receive funding to support the cost of your CSA share. Please allow up to 4 weeks for your application to be reviewed. If your application is approved, you will receive further instructions for how to pay your 50% cost responsibility and arrange the details of your share. Payment will be made directly to the CSA farm.

Your application will not be reviewed if it is incomplete. Please answer all questions before submitting.
