

# NEW FOR 2025

## **TECH RESOURCES FOR EVERYDAY LIFE**

**COURSE DESCRIPTION:** Digital tools and technologies have become very important and even necessary to our everyday lives. By the end of this **free** 5-week course, you will be able to use a variety of resources to make your life easier, from managing everyday tasks to communicating with others. You will use the internet to explore your interests and passions, connect with others, and even contact your lawmakers. You will also learn best practices for staying safe in the digital world and managing your privacy and security settings in the Chrome browser. This course is a great opportunity to meaningfully practice skills that you learned in a Basics or Essentials course.

**PRE-REQUISITES:** You should have taken a Basics or Essentials course for your device or be familiar enough with your device to use it independently in class. You must also have an email address.
