

MEALS-ON-WHEELS SEEKS COMMUNITY PARTNERS

Attention Restaurateurs!

You are in the business of feeding people.
So are we.

This year alone Elder Services of Cape Cod and the Islands will deliver 390,000 Meals-on-Wheels to older adults who are unable to provide meals for themselves.

A home-delivered meal and well-being check helps our neighbors age safely at home.

Will you partner with us in raising awareness of and donations for this essential service by joining our Spring for a Meal campaign?
