PLEASE PRAY FOR...

- 1. Please pray for more financial/prayer partners who are excited to be a part of what God is doing in Third Culture Kids' lives.
- 2. Pray for my current financial and prayer partners: that God would strengthen/protect them in all battles against the Evil One and that He would continue to bless their sacrifice and stewardship.
- 3. Pray for the remainder of my monthly financial support to be raised by June, when I'll be helping with my organization's Transit Lounges, and need the freedom to do that from my current job responsibilities at another company. I'm already at 71% of my monthly support! Praise God!
- 4. Please, pray for Third Culture Kids who are struggling with ambiguous losses, identity, transitions, compound grief, or even complex/acute trauma because of their life as a TCK. The TCK life is a gift- AND it can be hard, especially without the proper tools and vocabulary to process it.
