Serving In Bogotá, Colombia:

Through RCE International

- El Camino Academy (ECA), Zach as the Guidance Counselor and Rosario as the Colombian Gov't and Spanish Social Studies Teacher
- Leaders in "Great Things", an after-school youth program at ECA
- Project Hope, college-student mentoring
- Project VIDA, English-language and spiritual formation program for vulnerable children

PRAYER REQUESTS

- Pray for continued healing, peace, and persistence concerning trying to start our family, loss, and waiting on God's timing.
- Continue to pray that appointments will open up sooner for the visitor visa process so that we could come back to the States to visit as soon as possible.
- Pray for the marriage visa process as we traverse the unknowns, documents, paperwork, all the hoops to jump through, and for the perfect timing as we prepare to transition to the States at some point.
- Pray for ECA families, students, and staff during an especially difficult year social-emotionally and spiritually. Pray that God uplifts those with low spirits, heals those who are wounded, and encourages those who especially need to feel His presence moving forward.
- Praise the Lord for all that He is doing in the hearts of the first generation college students and how He is drawing them closer to Him. Pray that He continues to open doors and conversations with these college students through the experiences we are having in one-on-one and group situations.
- Praise the Lord that the Project VIDA has been going well and has wonderfully spirited kids who are eager to learn and to grow. Pray that through Project VIDA we can see much fruit in the lives of these kids and their families.
- Praise the Lord that we have been able to bring in all the money needed for the last year of ministry. Pray we can raise all that is needed for this new year and for blessings to those who have given and will give.
