

An Award-Winning Documentary For Everyone!

"This story has had more impact on me than practically anything I've ever done." - Oprah Winfrey

RESILIENCE

THE BIOLOGY OF STRESS & THE SCIENCE OF HOPE

Chester County's Suicide Prevention Task Force and ACEs Coalition present

Resilience: The Biology of Stress & Science of Hope
discussion immediately following the film

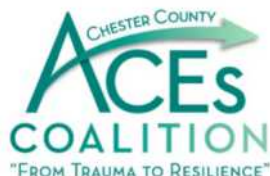

Wednesday, August 14

3:00 PM, West Chester University

Sykes Student Union Theater, 110 West Rosedale Ave., West Chester

This 1-hour film and discussion will take place during the regularly scheduled quarterly meeting for the Chester County Suicide Prevention Task Force, 3:00 - 4:30 PM.

The free event is open to the community and anyone who would like to learn more about the lifelong impact of trauma on our overall health and well-being.
