

NEUROFUNCTIONAL NEEDLING *in* MOTION

March 5–7, 2027

In-person at the MSUCOM East Lansing campus

go.msu.edu/needling

20.75 AOA Category 1-A and 20.75 *AMA PRA Category 1 Credit(s)™* available!

INTEGRATING MOTOR POINT NEEDLING, MANUAL MEDICINE, AND MOVEMENT REHABILITATION

FOR BETTER FUNCTION. BETTER OUTCOMES.

Join instructors Lisa DeStefano, DO, and Jon Marshall, Osteopath/Acupuncturist from Australia, for a new hybrid course at MSU College of Osteopathic Medicine designed to elevate your diagnostic and treatment skills. This interactive training combines online modules—completed at your own pace prior to the in-person session—with a hands-on, on-campus experience. You'll master foundational osteopathic manual medicine techniques and gain deep insights into diagnosing and managing headaches and migraines. Taught by experienced clinicians and rooted in osteopathic principles, the course is ideal for physicians, physical therapists, and other health professionals seeking to improve palpatory assessment, clinical reasoning, and patient care.
