THE HOUSING COUNCIL AT PATHSTONE CONFLICT OF INTEREST

It is the agency's policy to prohibit its employees from engaging in any activity or practice which conflicts with the interest of the agency or its clients. The conflict of interest policy requirements are as follows:

1. Employees and members of their immediate families are prohibited from accepting gifts, moneys, and gratuities from persons receiving benefits or services under agency programs, from anyone performing services under a contract with the agency, or from anyone who is in a position to benefit from the action of any employee or a board member, under circumstances from which it might reasonably be inferred that the purpose of the gift is to influence the employee in the conduct of the agency's business with the donor. Such gifts should be returned with a note of explanation or converted into a charitable donation to the agency as a whole by transferring the gift and information as to the situation in which the gift was received to the Personnel Officer for disposition. Employees are not, however, prohibited from accepting advertising novelties such as pens, pencils, calendars or other gifts of nominal value ($50.00) when circumstances clearly show that the gifts are offered for reason of personal esteem and affection, and for which a brief note of receipt and the reason for the gift are recorded with the Personnel Officer. Some positions may be prohibited from accepting any gift as instructed by the Executive Director.

2. No employee shall act in a manner which would cause a reasonable person, having knowledge of the relevant circumstances, to conclude that any person can improperly influence or unduly enjoy his/her favor in the performance of their duties because of kinship, rank, position or undue influence of any party or person. It shall be unreasonable to so conclude if such employee has disclosed in writing the facts which would otherwise lead to such a conclusion.

3. No employee shall participate in or represent the agency in a particular matter in which to his knowledge s/he, his/her immediate family or partner, a business organization in which s/he is serving as officer, director, trustee, partner or employee, or any person or organization with whom he is negotiating or has any arrangement concerning prospective employment, has a financial interest.

Further, various contracts to which the agency is a party may impose specific conflict of interest requirements. These must be adhered to. This includes, but is not limited to funders such as U.S.
Revised 8/19

Department of Housing and Urban Development, New York State Division of Housing and Community Renewal, New York State Affordable Housing Corporation, Federal Home Loan Bank of New York, Monroe County and the City of Rochester which requires that the agency and its employees abide by the following:

4. Neither agency nor any of its contractors or their subcontractors shall enter into any subcontract, or arrangement, in connection with HUD or other funders that sponsor programs in which any of the following classes of persons has an interest, direct or indirect, during tenure or for one year thereafter:

   i. Any present or former member or officer of the agency;
   ii. Any employee of the agency who formulates policy or who influences decisions with respect to the programs;
   iii. Any public official, member of a governing body, or state or local legislator who exercises functions or responsibilities with respect to the programs.

Any members of the classes described above must disclose their interest or prospective interest to the agency, funders, or HUD. The requirements of this paragraph may be waived by HUD or other funders for good cause.

5. No employee shall, directly or indirectly, give, offer, or promise anything of value to any representative of any financial institution in connection with any transaction or business that the agency may have with such financial institutions.

6. No employee shall use or attempt to use his/her position at the agency to secure for him/herself or others unwarranted privileges or exemptions which are of substantial value and which are not properly available to similarly situated individuals.
