This presentation is on the profound spiritual significance and history of the Original Divine Mercy Image as requested by Jesus through St. Faustina in the 1930's in Poland. Covers the intimate details of St. Faustina finding the artist and the priest who guided the project. Hear it from the person selected to research and promote this image.

Daniel DiSilva was commissioned by the Bishop of Vilnius, Lithuania to research the background of The Original Divine Mercy Image and create a documentary for posterity. He is the authoritative promulgator of St. Faustina's masterpiece and travels with a high-resolution replica.
