## CTC ANNOUNCES MEMORIAL SCHOLARSHIP

We are delighted to announce a new memorial scholarship honoring the life of Cammie Hall Sanders, a devoted mother, wife, daughter, sister and friend who passed away in 2023 after a courageous twelve-year battle with breast cancer.

The Cammie Hall Sanders Memorial Award will be presented to a local high school senior whose high school experience has been personally impacted by a parent's/guardian's battle with cancer. We are searching for a student who has demonstrated the qualities of kindness, grace, selflessness, and strength in the face of adversity, to receive this scholarship award to use toward their secondary education.

"My daughter Shae and I are humbled and honored to share in the announcement of the Cammie Hall Sanders Memorial Scholarship," said Frank Sanders. "Cammie's greatest gift was her ability to inspire people to see the good in the world through her daily acts of kindness. We are thrilled that Cammie's heart and legacy will live on for many years through this memorial scholarship."

We hope that by awarding this scholarship we can honor Cammie's memory and spirit, while providing financial assistance to a deserving recipient. If you know of someone who meets the criteria for this scholarship, please share this opportunity with them and encourage them to apply.

Applications will open on Monday, October 9th. The deadline for nominations is January 15, 2024. [Scholarship Application Link](#)
