McLANE | Children's Miracle Network

Hope & Miracles

Since 1987, McLane Company has proudly supported Children's Miracle Network Hospitals, raising over 100 million dollars to provide comfort, treatment and hope to millions of children and families in need.

The funds raised by our McLane teammates across 80 nationwide distribution centers are dispersed locally to more than 150 Children's Miracle Network Hospitals across the United States. Because the funds raised stay in local communities, many teammates are able to personally meet the children they work so hard to help and see the difference it makes in their lives.
