INAUGURAL SPONSORED DISABLED VETERAN HUNT

STILLWATER WARRIORS HUNT

Honoring those who served, one weekend at a time.

OCT 23–24, 2026 | **STILLWATER HUNTING CLUB** | **HALIFAX, NC**

OUR MISSION

This October we're honored to host the first-ever Stillwater Warriors Hunt — a two-day sponsored hunting weekend created for up to five veterans, built on fellowship, the outdoors, and honest conversation. Friday evening brings dinner and a campfire session hosted with Operation Angelwing, focused on connection and suicide-awareness support — with room to extend into a third day if the group is benefiting from more time together.

THE WEEKEND

Friday
Arrival, dinner, and an evening campfire session with Operation Angelwing

Saturday
Full day guided hunt at Stillwater Hunting Club

Possible Sunday
Extra time reserved if the group is benefiting from it
