

Acts: God Changes Saul's Life Acts 9:1-19

Saul is a big-time bully. He's been hurting Christians and is on his way to arrest more when he meets Jesus. This event totally changes his life, and he begins to love and follow Jesus. He even changes his name to Paul, and travels to many places to spread the news of Jesus to others. Jesus changes our lives just as he changed Saul's life. He changes the way we feel, and the way we act when we belong to Him.

"This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun!" (2 Corinthians 5:17).

Family Together Time

- Get out family photos, and choose one photo from each year of your kids' lives.
- Choose a few photos from every few years of your life, too.
- Look at the photos as a family, and observe ways you've each changed physically. What's stayed the same?
- Talk about deeper changes you've seen in each other that reflect Jesus changing your lives. For example, maybe your child is less selfish, more patient, or more willing to share.

Pray: Jesus, thank you that you can change anything about us. Thank you that when there are parts of us that aren't nice, you can shape them into something beautiful. In your name, amen.

Talk About This...

- Share something you'd like Jesus to change about you.
