

WE TEACH. WE TREAT. WE CURE.

Hepatitis C + Telehealth
FOR NEW YORK

HCV SUPPORT

Telehealth

Reach marginalized populations and people living with HCV through telehealth to assist with treatment.

Provider Outreach and Recruitment

Expand HCV provider capacity and connections to provide a strong foundation for collaboration and support.

Telementoring

Working with HCV providers to review educational materials and share resources and strategies to serve patients.

We want to hear from you about our Hep C Telementoring program!
