New York City Bar Association, 42 West 44th Street, New York

Please join the NYS Council and CHCANYS as they co-host a forum for members that will focus on community health centers (CHC) and behavioral health (BH) collaboration models, approaches to integrated care in VBP arrangements, and networking to share lessons learned and best practices.

The NYS Council and CHCANYS were awarded a grant to be part of the first cohort of the Delta Center State Learning and Action Collaborative. The Collaborative will bring grantees representing community health centers and behavioral health organizations together to learn from experts and their peers with the goal of advancing value-based payment and integrated care in the safety net.
