Dear Sponsor,

Have you ever been hungry? Have you ever been displaced by loss of housing? Have your utilities ever been disconnected? Have you ever had an emergency financial crisis in your family and had to make the painful decision of which need could not be fulfilled? What would you do? Who would you call? Where would you turn?

Since the start of the Bell County Community Coalition in 2016, many Bell County residents facing an emergency financial crisis have applied for assistance. In 2017 alone, \$75,785.23 was dispersed on behalf of 634 non- duplicated families to stop housing evictions, utility disconnects, provided needed medical prescriptions and various identification credentials, like an original birth certificate. The Feed My Sheep Resource Center provides case management and client intake. St. Vincent de Paul facilitates the financial management. Funding is provided by the United Way of Central Texas and the generosity of area churches and passionate donors. The Coalition is staffed with volunteers that provide case management, budgeting, education and other area agency referrals to provide positive outcomes to clients in crisis. Every dollar collected goes directly to help resolve a client's emergency financial crisis.

Please consider a sponsorship to the Inaugural Bell County Community Coalition Golf Classic. Money raised from this event will assist many area Bell County Residents to get back on their feet financially. The loss of a job, reduced working hours, an unexpected illness and hospitalization, unexpected car repairs, and theft are reasons many area residents face a financial crisis.

Please help us help others. As Jesus told us in **Matthew 25:40**, *“Truly I tell you, whatever you did for one of the least of my brothers and sisters of mine, you did for me.”*

God Bless,

Bell County Community Coalition Golf Classic Committee
