

God-Centered Spiritual Transformation

Reverend Dr. Leanne Hadley

A Time for Children: NEW cohorts beginning Sept. 2020

Why?

- Because the world is changing fast and our kids need the love of God in their lives. To make this happen we need best practices, support, creativity and encouragement. This happens best when our Christian educators are taught, supported and mentored and, in addition, participate in shared learning with peers.

What is it?

- A 9-month on-line cohort, led by Rev. Dr. Leanne Hadley, where Christian educators will become proficient in the God-Centered Spirituality Model for children and teens.
- Coaching, support and mentoring by Leanne.
- Shared learning and support in small groups.
- Perfect for congregations, schools and organizations who want to support their Christian Educators and help them develop the skills they need to reach the spiritual lives of the children they serve more deeply and effectively.
