SUNDAY EVENING NEWS

“When people forget themselves, they usually do things others remember.”
(James Coco)

Peace and Greetings:

A small step in the scope of things but certainly an important step in the right direction – we made it through our first five-day week of classes and simultaneous in-person and remote learning seem to be running fairly smoothly. The general sentiment seems to be while things are certainly different, it's great to be back together again. We planned extensively but it's the implementation that makes all the difference. While we need to remain vigilant, kudos to our students and faculty for making it happen, so far. Keep it up!

EVENING REFLECTION & PRAYER

In the second reading of this [Sunday's](#) Mass taken from St. Paul's letter to the Philippians, St. Paul reminds us: “conduct yourselves in a way worthy of the Gospel of Christ.” These words are a reminder to us that as followers of Jesus we have the moral obligation to conduct our way of life that reflects the goodness and splendor of the Gospel. I was encouraged last week as the Senior and Junior Classes gathered in the Church for our opening School Masses – their conduct was intent on prayer and there was a reverence for being in God's holy house. May we always strive to live for Christ and do it in a way that is holy and pleasing to God.

Let us pray: *Lord Jesus Christ, in you we live, move, and have our being. Allow us with your grace and example to live authentic lives which point to the kingdom of heaven. May we have the strength to continue the good work begun in this academic year and strive all the more to press on with the grace you give us in the sacraments.*

St. Paul, pray for us.

Have a blessed week, everyone!

Father Glen
Chaplain

ABSENT FROM SCHOOL – ZOOM CLASSES

Just to clarify possible confusion for some students and parents/guardians. Currently, in-person learners are allowed to attend scheduled Zoom classes when not in school. However, you should not expect to be able to attend a virtual class if the class does not already have remote learners enrolled. When not in school, you can attend only those classes that are already being live streamed on Zoom. The exception is when you will be out of school for an extended period of time (i.e. recovering from surgery, quarantined, etc.). In that case, please contact Mr. Cooper jcooper@spchs.com who will notify the respective teachers to temporarily make the necessary remote accommodations.

A reminder that in-person student's parents must still contact the main office first thing in the morning to notify the school that you will be out sick (or any other reason) for the day.

FALL SCHEDULES

- Fall Schedules can be accessed via the St. Paul website by using the following link:
<https://spchs.com/sportscalendar/>
- Another good resource to access fall schedules is ciacmoblie.com which can be downloaded onto your phone as an app.
- Sub-varsity schedules in boys & girls' soccer and volleyball are still being populated due to new CIAC and league guidelines addressing COVID-19.

FAN ATTENDANCE AT GAMES

We will begin the fall season **without fans** at our home contests in an effort to focus entirely on the safety of our student athletes and the new normal of what COVID-19 protocols of hosting a home event will look like. We will make exceptions for our early season Senior Day/Night contests so that the families of senior players can be in attendance. It is our goal to work to create policies and standards that will eventually allow families and fans (in limited numbers) to attend our home outdoor contests. Schools within our league will vary in their policies when it comes to fan attendance. Prior to October 1, those policies will be posted on the St. Paul website for you to review for away contests.

A reminder that this fall you will be able to watch all St. Paul games taking place on McPhee Field or in the Rev. Brian Monnerat Gymnasium streaming live on the NHSF Network - <https://www.nfhsnetwork.com/>. Details regarding accessing the NHFS Network will be posted on the St. Paul website by the end of the week.
