## **SUNDAY EVENING NEWS**

*“Kindness is the language which the deaf can hear and the blind can see.”*  
(Mark Twain)

Peace and Greetings:

We are approaching the end of September and things seem to be in full swing. Hopefully, our students are performing admirably in the classroom. Our parents/guardians will have their opportunity to visit with faculty Tuesday night. The interscholastic fall athletic season begins this week. We had a successful golf tournament last Thursday bringing together many alumni and friends in support of St. Paul. Our first Open House for prospective families on Saturday was also well attended. In spite of lingering COVID-19 inconveniences, we have much to be grateful for as the calendar turns to October.

### **EVENING REFLECTION & PRAYER**

In the second reading at Mass this weekend, St. Paul reminds us to care about others more than ourselves. I'm sure we all can't wait to read about the year 2020 in history books as opposed to actually living through it. To say this has been an interesting and challenging year is an understatement. However, we are here now living through it and Paul's words are ever true. Let us care about the people around us, even more than ourselves. Let us build each other up, not tear people down. Let us always give a compliment before we make a critique. Let us always be thankful before we complain. If the world did more of that perhaps we can meet the demands and challenges of any situation.

*Let us pray:*

*Lord Jesus, help us to strive for spiritual perfection.  
May we respond to the needs of others in a way that reflects your goodness.  
Mary, queen of heaven and earth, pray for us. Amen.*

Have a blessed week.

Fr. Glen, Chaplain

## FALL SCHEDULES

- Fall Schedules can be accessed via the St. Paul website by using the following link: <https://spchs.com/sportscalendar/>. JV soccer & freshman soccer games are still being scheduled and will be added as soon as they are confirmed.
- Another good resource to access fall schedules is [ciacmobile.com](http://ciacmobile.com) which can be downloaded onto your phone as an app.

**Athletic COVID travel guidelines. When our fall teams travel the maximum bus capacity will be 22 people (one per seat) and masks will be required.**

## UPDATED FAN ATTENDANCE AT GAMES

While the CIAC is leaving the final decision on allowing fans to attend contests up to the local school (or district), their position is that, “The CIAC believes prohibiting fans/spectator attendance aligns best with the goals of education-based athletics.” **This past week, the Naugatuck Valley League (NVL) announced that the attendance policy for the fall season is for the allowance of home fans ONLY as determined by each respective league school.**

Some schools have decided to continue to prohibit any fans at the games. However, in accordance with the Governor's Re-Open CT plan (which establishes maximum numbers of people allowed at indoor & outdoor sporting events) St. Paul will be allowing two family members per student-athlete at its outdoor home contests (soccer & cross-county) and one family member per student athlete for our home indoor volleyball games.

One exception to the St. Paul attendance policy may be specific to our fall teams early senior reception games. On designated senior games, we are trying to allow senior families the opportunity to bring additional family members thus it may impact if others will be allowed to attend. Once we confirm senior family attendance, you will receive details from your teams about attendance at those specific games.

**All fans/spectators will be required to wear a mask, be given a health assessment and temperature screening upon arrival, and remain physically distant from non-family members throughout the contest.**

We hope that you trust our evolving decision-making process and mutual desire to allow fans/spectators to attend games at St. Paul in a controlled safe environment recognizing everyone's health and well-being. **THANK YOU** for your understanding and cooperation!

## **NHSF NETWORK**

Finally, a reminder that this fall you will be able to watch all St. Paul games taking place on McPhee Field or in the Rev. Brian Monnerat Gymnasium streaming live on the NHSF Network - <https://www.nfhsnetwork.com/>.

Sign in and choose your subscription status. Based on the fluid nature of COVID-19, we suggest just signing up for the one month at a time subscription. Once you have signed up you need to search for St. Paul Catholic High School and you will see our scheduled games listed by sport. We are waiting on the camera on McPhee field to be calibrated (which is done remotely from the network headquarters) so the soccer schedules will not show in the system until the calibration is completed.

We will post a list on the school website of other schools in the NVL who have the NFHS system. Hopefully, many parents, grandparents and extended family members find this alternative option beneficial.

## **CONGRATULATIONS COACH KELLY**

## FINAL WORD

**#spstrong**

**Game plan to stay in school – 3 W's**

**Wear a mask, Wash your hands and Watch your distance**

This is precisely the time, about 3-4 weeks into the school year, that local health officials were originally concerned that student's human nature may begin to take mitigation practices for granted. However, this is exactly the time for us to step it up ... leave your mask on, wash or hand sanitize frequently and keep six feet from each other whenever possible! Everyone knows what we need to do. The best way to show your genuine concern for each other is to JUST DO IT!

Stay well ... let's be intentional this week.

*St. Paul, pray for us!*
