SUNDAY EVENING NEWS

Peace and Greetings:

Happy Labor Day even though it may be a relatively somber one as the COVID-19 pandemic goes on. Trust you and your family are in good health. After intensive planning, I'm thankful and relieved that we had an uplifting week welcoming our students back on campus for orientation! It's only a cautious beginning but it was inspiring to be back together again ... experiencing a feeling of hope and completeness.

EVENING REFLECTION & PRAYER

A new school year during these times can appear to be a challenge. However, each time we look at the Cross we are always reminded that God makes all things possible. As we come together again to begin a new school year, may the Cross of Jesus Christ light our way. In the Cross of Christ may we find our strength and hope to be the light that illuminates minds and hearts during this time of distance and uncertainty.

Let us pray: Lord Jesus Christ, you are the way, truth, and life. Inspire us to be your light in the world. Bless our students, faculty, and staff as we come together for another year of academic learning. May our efforts only add to your glory and radiate your love and presence to the world. Amen.

St. Paul, pray for us.

Fr. Glen Dmytryszyn, Chaplain

BEFORE & AFTER SCHOOL

Upon arrival to school this week, students should report to their Homeroom/A Period classroom by 7:45 am. Students arriving earlier to school can gather physically distant in the auditorium, dining hall, library or their A Period classroom. Students can drop off their athletic bags in the gymnasium for storage during the day.

After school, students should report to the monitored Dining Hall and not linger in the corridors.

A reminder that students hanging out in the parking lot, senior courtyard or other outdoor areas on campus MUST wear a mask and should remain six feet away from each other. After school is NOT a mask break. If you are over six feet away and not engaging in conversation with anyone then you can remove your mask. However, you must immediately put your mask back on if physical distance is not maintained or if you engage in conversation.

HEALTH ROOM

Your Health Room Emergency Information Card (yellow form) and pre-filled SPCHS Information Form (Emergency Parent Reach), originally distributed in the June parent mailing are past due.

According to Connecticut state law, as a requirement for entrance to Grade 11, students are required to have a physical examination in either Grade 9 or 10. In addition, a student who is attending a school in the State of Connecticut for the first time (regardless of the grade) is required to have a health assessment/physical examination. Students who wish to participate in sports must have a sports physical done yearly. This year due to COVID-19, the validity date has been extended from 13 to 15 months.

STUDENT HANDBOOK

Students and parents/guardians are expected to read and discuss the 2020-2021 Student Handbook, located on our website before printing, signing and returning the Agreement for Students and Parents (found under the Student Life tab) by September 8.

FOOD SERVICE

As we start the school year, there will be limited breakfast options available beginning at 7:00 am. Similarly, the lunch menu will have “Grab & Go” selections (sandwiches, salads, soups) available from 10:30 am – noon. **Students are reminded they can open a café account by prepaying cash or making checks payable to Paul Gregory's.**

Extended outside dining under the tents will begin this week.

MATH XL & ENGLISH IXL

As in the past, Math and English teachers will begin collecting \$15.00 for Math XL (Algebra I, Geometry, and Algebra II classes only) and \$10.00 for English IXL licenses that have been or will be activated on student iPads and utilized in their respective classes. Students should make license payments by Friday, September 18. Thank you!

STUDENT GOVERNMENT UPCOMING ATTRACTIONS

Chalk spaces will be used for Falcon Cup points and a gift card competition. We will also display a “living” museum of quarantine art to view, by bringing your own artwork for display.

In upcoming events, we have ***Trivia Night*** scheduled for October 1 which will be broadcasted live on the school's YouTube channel. The host will ask participants questions on a forum, resulting in a final round with the last contestants competing for St. Paul apparel and bragging rights. A date to be determined is for ***Human Scrabble!*** All class members are welcome to participate in the classic board game, played in human form. Parking lot spaces will be utilized as the real-life-board grid. The class with the most word points will receive the most Falcon Cup points. Message from Mr. Dennehy following Friday's CIAC announcement that the CT high school football season has been cancelled. I echo his sentiments.

"It was with a heavy heart that I spoke with the football team about the cancellation of their season on Friday afternoon. I never imagined that when I had the same conversation with the winter teams in March about the cancellation of their state tournaments that I would be having the same conversation six months later. But if we have learned anything in navigating our way through this pandemic it is that we have to be flexible and ready to manage change and that most importantly as communities & families we need to rely on each other and our faith in God and ultimately there will be a light at the end of the tunnel.

I am confident that this group of young men and the St. Paul coaching staff will make the most of whatever opportunities are afforded them. Conversations started this weekend with CT high school football coaches, athletic directors and the CIAC to create football related activities and experiences that will allow teams to continue to work out, train and engage in football specific skills this fall as a team. Please do not hesitate to contact me if you have any questions."

FINAL WORD

After a very long and uncertain wait, we gratefully opened St. Paul Catholic High School's doors again this past week. As the reentry "phase-in" continues this week, we will increase the number of students on campus from approximately 100 per class during orientation to 200 per hybrid day to 400 for full in-person instruction (less remote learners) by the end of the week. It's going to be a new challenge/test that we MUST pass.

I can't emphasize enough my encouragement "*to intentionally take care of yourself and take care of each other*" certainly as it relates to critical health and safety practices but equally important to the social and emotional well-being of all. With a greater appreciation for the gift of being together during this pandemic, we must act on this opportunity to reach beyond where we were when we abruptly left last March. Sr. Marie Benedict paraphrased best our returning message, "*openness to relationship and broadening of our hearts*" when describing our individual and collective task ahead. **#bethelight**

As we begin the 2020-2021 school year, let us not just come back to St. Paul but remain committed to staying back and leave no one feeling left behind.

#spstrong

Stay well,
