SUNDAY EVENING NEWS

Peace and Greetings:

After a cautious “phase in” start to the 2020-2021 Academic Year, we are now fully engaged in our In-Person Learning model (with an alternative remote option) five days a week. Overall, it has been a relatively smooth reentry onto our campus and start to the school year. The students and faculty seem to be adapting to the new COVID-19 routine and genuinely happy to be back together again. For this, as well as the support of our parents/guardians, we are most grateful!

EVENING REFLECTION & PRAYER

With the school year fully started we should pause and reflect on the great progress we have made since the challenges of Covid-19 were placed upon us. It’s a testament to the truth that with God, all things are possible. Who would have ever thought that back in March we would be here today. God is good. Let’s pray this week in thanksgiving for the graces and blessings we have received in these first few weeks of school and pray we remain diligent in our efforts to make this a smooth and successful endeavor.

Let us pray:

Lord Jesus Christ, with you all things are possible. Inspire us to work diligently and give us the grace necessary to carry out our commitment to our school and community. May your love and peace shine forth through our faculty, staff, and students that we may continue the work of your Gospel and educate the minds and hearts of all people. Amen.

St. Paul, pray for us.

Have a blessed week,

Fr. Glen, Chaplain

DAILY HEALTH CHECK (MANDATORY)

We have NOT had consistent compliance as required by the Bristol-Burlington Health District (BBHD) in submitting the online Daily Health Check by parents/guardians of students each morning. Please submit only one survey response per student before 8:00 am. The survey should not be completed the night before. Use the following link:

<https://forms.gle/v9mNDN8abHEYBk8G6>

All responses will be received by the health room and are confidential. If a student answers YES to any of the survey questions they must stay home from school and follow the recommended protocol.

HEALTH & SAFETY REMINDERS

While acknowledging that everyone is still trying to comply with the new COVID-19 routine, the following health and safety guidelines from the Bristol-Burlington Health District are important to practice consistently.

- Wash your hands with soap and water (restrooms, art room, science rooms, etc.) frequently throughout the day. Sanitize your hands before entering a classroom or prior to lunch.
- You are allowed to take your mask off outside during mask break only if you are more than 6 feet (two arm lengths) away from your classmates and being silent.
- When eating lunch, you should be facing in one designated direction. If you want to turn and talk to others around you, your face mask must be put back on.
- Only two (2) students allowed in a restroom at a time. Please wait outside the door if there are already two students in the restroom until someone exits.
- A reminder that students hanging out after school in the parking lot, senior courtyard, dining tent or other outdoor areas on campus **MUST** wear a mask and should remain six feet away from each other.

HEALTH ROOM

PAST DUE: We have approximately 80% compliance in receiving your Health Room Emergency Information Card (yellow form) and pre-filled SPCHS Information Form (Emergency Parent Reach). We plan to test our parent/guardian Emergency Response Notification system in the next week or two. If we don't have your SPCHS Information Form completed and returned, you will not receive an alert call.

STUDENT HANDBOOK

PAST DUE: Students and parents/guardians are expected to read and discuss the 2020-2021 Student Handbook, located on our website before printing, signing and returning the Agreement for Students and Parents (found under the Student Life tab).

MATH XL & ENGLISH IXL

DUE THIS WEEK: As in the past, Math and English teachers will begin collecting \$15.00 for Math XL (Algebra I, Geometry, and Algebra II classes only) and \$10.00 for English IXL licenses that have been or will be activated on student iPads and utilized in their respective classes. Students should make payments (cash or check made out to SPCHS) in a marked envelope to their teachers by this Friday, September 18.

FINAL WORD

I'm incredibly proud of our entire St. Paul community as we have planned tirelessly and carefully implemented together the last three weeks marking the start of this unchartered school year. As we move forward, we cannot let our guard down and become complacent in taking anything for granted. In fact, just the opposite. We need to commit to being more consistent in our health and safety practices as well the social emotional awareness of our classmates.

As I emphasized last week, *“intentionally take care of yourself and take care of each other”* if we are to successfully navigate the weeks ahead. I ask you tonight, to reflect upon your attitude and behavior the last week not only with respect to the virus but equally in being open to relationship with your peers. Can you identify a time or situation when you personally acted on this challenge?

#spstrong ... this is not a catchy phrase, it's a call to action!

Stay well ... see you tomorrow,
