JULY SHIPMENTS

LIFESAVING SHIPMENT TO NIGERIA

Medical Bridges shipped its second container of medical supplies to Obiene Ututu, Arochukwu, Abia State —bringing a 300-bed charitable hospital one step closer to reality.

This effort, led by Anuma Ulu and the Kalu Ulu Memorial Foundation, reflects the power of collaboration in breaking barriers to care.

HOPE IN TRANSIT: SHIPMENTS TO CAMBODIA

Medical Bridges recently loaded two containers bound for Sen Sok International University Hospital in Cambodia.

Filled with surgical tools, hospital beds, and essential supplies, these shipments bring hope, healing, and greater healthcare access to communities in need.

Thank you to all who made this possible—your support fuels every mile.

GLOBAL HEALTH IMPACT

HAND CARRY MISSION - UGANDA

A hand-carry shipment from Medical Bridges recently arrived at a clinic in Uganda—delivering critical supplies where they're needed most.

Every item brings comfort, care, and renewed hope. In global health, no act of giving is ever too small—each one echoes in every heartbeat and every joyful song.

CELEBRATING SERVICE & GLOBAL IMPACT WITH HHRD

On July 19th, Medical Bridges was honored to join Helping Hand for Relief and Development's 4th Annual Day of Service—a powerful gathering of community leaders, dignitaries, and changemakers.

Our Director of Marketing, Akinyi Adoyo, shared the remarkable results of our 2024 partnership:

12 containers shipped

Over \$2.5M in medical supplies

104,271 lbs of lifesaving aid delivered

7 to Pakistan | 2 to Djibouti | 2 to Nepal | 1 to Kenya

IMPACT IN UKRAINE: Q2 2025

Thanks to our partnership with Nova Ukraine, Medical Bridges delivered two containers of critical medical aid in Q2 2025. Over 342 essential items were distributed to 30 hospitals across the country—including neonatal incubators, defibrillators, ultrasound machines, and vital consumables like gloves, syringes, and sutures. Together, we're strengthening Ukraine's healthcare system—one shipment at a time.

MEDICAL BRIDGES AT THE U.S.-AFRICA ENERGY FORUM 2025

We're proud to be an official partner of the upcoming U.S.-Africa Energy Forum (USAEF) 2025, taking place August 6–7 in Houston, Texas. This premier gathering connects African energy projects with global investors and policymakers to drive impactful change across the continent.

We're honored to be part of the conversation—and the solution. Stay tuned for highlights from the event as we continue to build partnerships that strengthen health systems and infrastructure across Africa.

PARTNER AND DONOR RECOGNITION

CRIB COLLECTION

Medical Bridges recently received a generous donation of pediatric cribs from Methodist Children's Hospital—an incredible boost for global pediatric healthcare. Special thanks to our Procurement Associate Dennis for handling the collection, and to Nicole Bruner-Sanchez and Felix Sandoval from HealthTrust for making this possible.

BUILDING HEALTH & HOPE WITH BUILD TAMU

We're honored to partner with the inspiring students of BUILD TAMU, who turn passion into impact by constructing medical clinics each year. Medical Bridges fills these clinics with lifesaving supplies, sending them to underserved communities from Honduras to Haiti and here in Texas.

EMPOWERING HEALTHCARE HEROES

Thanks to a generous donation from US Med-Equip, critical medical equipment is being staged for healthcare workers around the world. From trauma units to emergency response centers, these tools will help stabilize patients, restore breath, and save lives in under-resourced hospitals.
