

CHRONICLE OF JUNE 2026 CARING

GLOBAL CONNECTIONS, SHARED PRIDE

With the 2026 FIFA World Cup now underway, Houston is proudly hosting fans and visitors from around the world. For Medical Bridges, many of the nations represented on the pitch are also places where we have had the privilege to support hospitals, clinics, and communities through our mission of delivering hope and health.

As the world comes together through the spirit of sport, we celebrate the global connections that unite us beyond borders.

BRIDGING THE HEALTHCARE GAP

- HOW YOU CAN HELP

GLOBAL HEALTH IMPACT

FROM HOUSTON TO GUINEA: A LASTING IMPACT

Last year, Medical Bridges partnered with Association for the Development of Besseya (ADDB) to ship two 40-foot containers filled with medical supplies and equipment to Guinea. Today, those supplies continue improving patient care and strengthening healthcare delivery throughout the region. In a recent video message, ADDB shared their gratitude:

"Thanks to the donors for this wonderful initiative. Let us all do what we can to support our patients, save lives, and contribute to the development of our villages. Together, we can bring positive and sustainable change to our community. Besseya for life."

Messages like these are a powerful reminder that the impact of every donation extends far beyond delivery. Thank you to everyone who makes this life-changing work possible.

JUNE SHIPMENTS

KENYA

Medical Bridges shipped two 40-foot containers of medical supplies and equipment to Kenya in partnership with Helping Hand for Relief and Development (HHRD). These shipments will equip healthcare providers with essential resources to improve patient care in underserved communities.

We are grateful to HHRD for their continued partnership and shared commitment to expanding access to quality healthcare.

GABON

Medical Bridges was honored to support a healthcare initiative in Gabon led by Ms. Gisele Ntsoure, who is organizing a medical caravan to bring essential healthcare services to underserved communities. Through donated medical supplies and equipment, this effort will help provide consultations, preventive care, health education, and basic treatments to vulnerable populations with limited access to healthcare.

WORLD CUP SPIRIT IN HOUSTON

As the FIFA World Cup brings nations together in Houston, Medical Bridges has enjoyed opportunities to connect with communities from around the world through cultural events, celebrations, and conversations inspired by the beautiful game.

These gatherings are a reminder that sports have the power to unite people across borders and create meaningful connections. As communities come together to celebrate their heritage and cheer on their teams, we celebrate the spirit of collaboration, pride, and global friendship that reflects the heart of our mission.

Here's to the communities, cultures, and connections that make Houston, and our world, stronger.

ONE PEOPLE ONE WORLD GIFT MATCHING OPPORTUNITY

DOUBLE YOUR IMPACT THROUGH AUGUST 15

DOUBLE YOUR IMPACT ONE PEOPLE ONE WORLD GALA

A generous donor will match all new gala sponsorship commitments made by August 15, 2026, up to \$100,000

Thursday | October 15, 2026 | Hilton Houston Post Oak, Houston, TX

Honoring Jeanna Bamberg, FACHE
CEO, The Woman's Hospital of Texas
Become a Gala Sponsor · Donate Auction Items · Support Humanitarian
Healthcare

Interested in sponsorship opportunities? Contact gswift@medicalbridges.org
to learn more and secure your commitment before the August 15 matching
deadline.

Medical Bridges is excited to announce a special **Challenge Grant opportunity** for our **2026 One People, One World Gala**. A generous donor will match all new gala sponsorship commitments made by **August 15, 2026**, up to **\$100,000**, allowing sponsors to double their impact in bringing lifesaving medical supplies and equipment to underserved communities around the world.

Join healthcare leaders, corporate partners, and community champions on October 15, 2026, as we celebrate the power of global health and humanitarian service. Your sponsorship not only provides valuable recognition and engagement opportunities, it also helps extend healthcare resources to even more patients and communities in need.

MEDICAL BRIDGES WELCOMES THE U.S. GLOBAL LEADERSHIP COALITION

Medical Bridges was honored to welcome the U.S. Global Leadership Coalition (USGLC) to our warehouse. During the visit, the team experienced firsthand how surplus medical equipment and supplies are transformed into lifesaving resources for healthcare providers around the world.

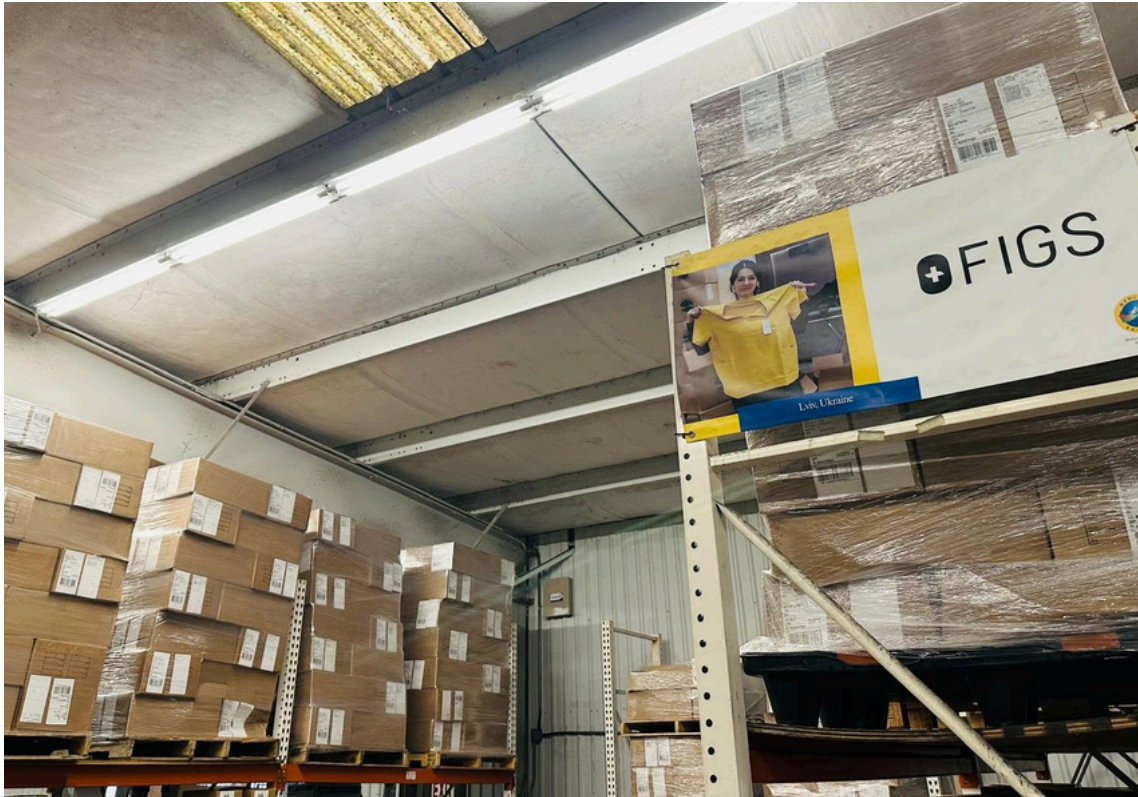

The USGLC works to strengthen America's civilian-led tools of development and diplomacy, advocating for investments that improve global health, stability, and opportunity. Their visit highlighted the important role organizations like Medical Bridges play in advancing these shared goals.

From supporting emergency response efforts in Ukraine to expanding pediatric heart care in Kenya, Medical Bridges demonstrates how partnerships and donated medical supplies can improve healthcare access and save lives worldwide.

We are grateful to the USGLC for recognizing the impact of our mission and the power of global collaboration.

FIGS

SUPPORTING HEALTHCARE HEROES AROUND THE WORLD

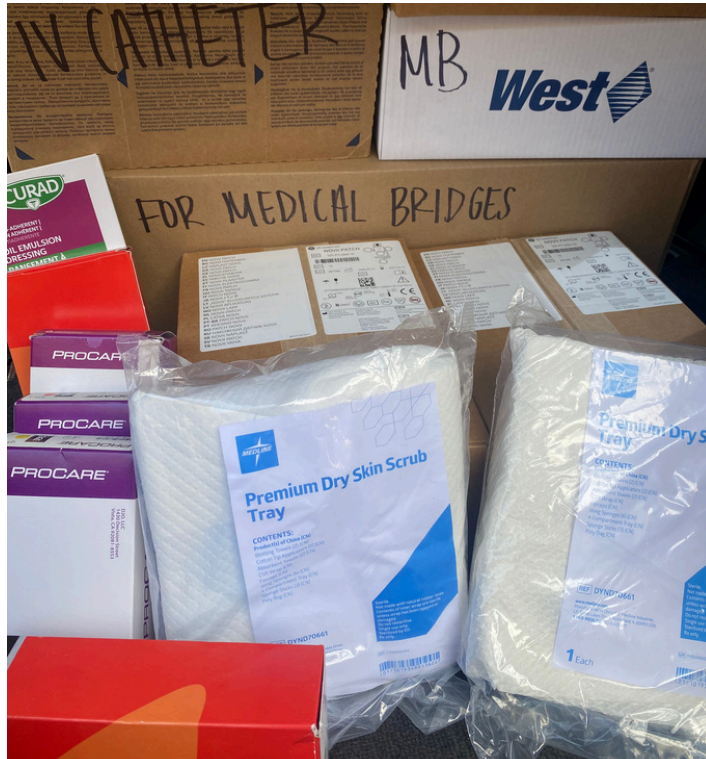

Medical Bridges is grateful to FIGS for their generous donation of medical apparel that will help equip healthcare professionals serving communities around the globe.

Quality uniforms provide more than comfort; they support the confidence, dignity, and dedication of those delivering care every day. Through our global partnerships, these donations will help strengthen healthcare systems and support the heroes at the heart of patient care.

Thank you, FIGS, for investing in healthcare and helping healthcare professionals deliver lifesaving care to patients around the world.

PARTNER SPOTLIGHT

METHODIST HEALTHCARE SYSTEM

Medical Bridges is grateful to Methodist Healthcare System for their recent donation of surplus medical supplies and equipment. What may no longer be needed in one facility can become a vital resource for another, helping expand access to quality healthcare in communities around the world. Their generosity continues to create a lasting global impact.

PETERSON HEALTH

A special thank you to Peterson Health for their continued partnership and support. Their recent donation of Berkeley suction machines and a patient monitor will help equip healthcare providers serving under-resourced communities worldwide. Through responsible stewardship and a shared commitment to improving access to care, Peterson Health is helping extend the lifesaving impact of quality medical equipment.

HOW YOU CAN HELP SAVE LIVES

DONATE EQUIPMENT - TURN SURPLUS INTO LIFESAVING CARE

Please help by allowing Medical Bridges to pick up your surplus medical equipment and supplies. To donate, please reach out to:
Marcel Benavides
Manager, Strategic Partnerships
mбенавидес@medicalbridges.org
713-766-6554

VOLUNTEER - HELP PREPARE SHIPMENTS THAT REACH HOSPITALS WORLDWIDE

Caring people like you make a difference. If you are interested in volunteering, please reach out to:
Bonnie Oggero
Volunteer Coordinator
boggero@medicalbridges.org
713-766-6576

SPREAD THE WORD

If you share our passion for improving access to healthcare, please like, follow, and share our stories on social media.

PARTNER WITH US - CONNECT YOUR ORGANIZATION TO GLOBAL IMPACT

Corporations, hospitals, and foundations can collaborate with Medical Bridges to equip healthcare providers in underserved communities around the world.

FINANCIAL DONATION

Medical Bridges welcomes donations by check, PayPal, Donor Advised Funds, Qualified Charitable Distributions (QCDs), as well as gifts of cryptocurrency, securities, and physical assets.
