

FOSTER VILLAGE CHARLOTTE DRIVE UPDATE

Young Activists Club

**DRIVE ENDS
FRIDAY, JUNE
4TH!**

LAST WEEK FOR DONATIONS!

LET'S END THE YEAR WITH CHARITY!

As a club, we would like to thank the community of Charlotte Catholic for their immense support with the Foster Village Charlotte Drive within the past few weeks. Our community is supporting the nine hundred foster children in Charlotte, North Carolina, along with their parents through "Welcome Packs." These "Welcome Packs" are offered to licensed foster and kinship families bringing in emergency placements working with DSS. The "Welcome Packs" include necessities a child may need like feminine hygiene products, toothpaste, toothbrushes, deodorant, and body wash. As this is the last week the drive will be collecting items, please consider making an end-of-year donation!
