## We've Got Spirit!

The expansion of the Spirit Store was met with huge success because of the student engagement and the support of our Boosters! The goal for next year is to have a Spirit Store presence at even more of our athletic events. To meet this goal, volunteers are needed to help keep the store locations open. Please contact [Angie Johnston](#) to be added to the volunteer rotation sign up.

## Kevin's Korner

Cougar Nation,

As we close out the 2021-2022 school year I wanted to give our student-athletes one last shout out. We are so proud of their competitiveness, work ethic, and dedication in the playing arena and in the classroom throughout this school year. First semester this year we had over 130 Scholar Athletes who had a GPA over 3.5. In a year that we were placed in the highest division despite having a significant disadvantage in enrollment, our student-athletes over came them to make it to the NCHSAA playoffs. We are so honored to have these student-athletes represent us.
