

# Congratulations, Senior

The first step of your senior year is your senior portrait session. This experience is designed to be more elevated than prior school pictures for a reason. Senior portraits celebrate a once-in-a-lifetime season, and we want every student, now a soon-to-be senior, to feel seen and celebrated.

We are excited to partner with CADY for senior portraits. For more than 25 years, CADY has served schools with a distinctive approach to senior photography, combining beautiful studios, premier customer service, and the artistry to capture each senior's unique story.

From being photographed on location to quick and easy yearbook portraits, there's a session type for everyone. Elite, Most Popular, and Traditional sessions include the option to choose your photo(s) for the yearbook, if you are photographed before your yearbook deadline.

The best times book fast, so we recommend scheduling early to get ahead of your busy year! Visit [cady.com/schedule](https://cady.com/schedule) to book your senior portrait session today.

- Choose the experience that is best for you. If you want the full VIP experience, go Elite! You'll get a private photographer, hair and make-up styling options, unlimited studio scenes, Elite outdoor destinations, and more. If you want the basics, a Traditional session is right for you. If you want a few scenes and an outdoor scene, you'd love a Most Popular session. All session types include your required yearbook scene(s).
- How you preview your photos depends on your session. Traditional sessions will receive previews in the mail with a Portfolio display you can purchase. Elite and Most Popular sessions enjoy a private Photo Presentation, led by talented Experience Ambassadors that guide you through selecting and ordering your portraits.
- Session fees do not include prints, digital, or any other products, but there are several purchasing options available after you have completed your session.

## Everything You Need to Know for Senior Portraits

### Q. What's Included in My Session Fee?

**A.** Your session fee includes your time in front of the camera. Prints, packages, and wall art are an additional charge. Retouching is included with Elite and Most Popular sessions.

### Q. What Makes Senior Portraits Different?

**A.** Senior year is a huge accomplishment, and this life event should be celebrated with photography. CADY is the only photography company with state-of-the-art studios built exclusively to celebrate seniors. Whether you just want the basics or the full VIP experience with a private photographer, hair and make-up styling, and photography on location, your senior portraits will be a memorable experience.

### Q. How Do I Prepare?

**A.** Once you've booked your session, it's time to choose what you'll wear and bring. Your portraits should reflect your personality and show what makes you unique. Be sure to check your email reminders for helpful tips on how to prepare for this once-in-a-lifetime experience.

### Q. When Do I Take My Cap & Gown Photos?

**A.** Cap & Gown portraits are taken at the same time as Senior portraits, though release timing may vary by school. In most cases, these images are made available in the spring, closer to graduation. Details about separate package and retouching options will be provided when Cap & Gown images are released. Please note that most Senior portrait packages and orders do not include Cap & Gown images. Some exclusions may apply.

### Q. Will CADY Come to My School?

**A.** Some schools offer on-campus sessions, which we call Roadshows. Roadshows cover the basics, but have a limited scene selection. For the best experience, we recommend booking a session at one of our studios.

### Q. What About My Yearbook Photo?

**A.** All sessions include your required yearbook photo(s) scene(s). CADY takes care of submitting the senior portraits to the school for inclusion in the yearbook. Prints or digitals are available for purchase separately.
