

## 44<sup>th</sup> Annual Charlie Corn Scholarship Golf Tournament

### Corporate Sponsorship and Solicitation Letter

Hafa Adai,

The Guam Post of the Society of American Military Engineers (SAME) is pleased to announce the 44<sup>th</sup> Annual Charlie Corn Scholarship Golf Tournament (two person select shot – scramble) on Saturday, November 11, 2023, at the STARTS Guam Golf Resort in Dededo. We are humbly seeking your assistance, through a corporate sponsorship, to support the islands' aspiring engineers. Proceeds from this Golf Tournament go towards engineering education and the Charlie Corn Scholarship Fund.

The Charlie Corn Scholarship is available to students in Guam, CNMI, FSM, and Palau who are pursuing undergraduate or graduate degrees in Engineering or Architecture at universities with an accredited engineering or architecture program, including the University of Guam's School of Engineering.

The previous 43 golf tournaments have helped raise funds to provide more than 100 scholarships since 2005 to aspiring engineers, mathematicians, and scientists throughout the Marianas and Micronesia. These scholarships have ranged in value from \$1,500 to \$5,000 and, with your support, can increase in future scholarship awards.

We kindly solicit your generosity and assistance for corporate sponsorships to include Platinum (\$2,000), Gold (\$1,000), Silver (\$500), Bronze (\$300), tee/hole sponsorships, ditty/goodie bag donations, packed lunches, beverages, and/or a golf team entry.

The attached form contains additional information for each of the sponsorship packages. If interested, you can pledge your contribution(s) and/or register your golf teams by completing and returning the attached form(s) to [suzette.gutierrez@dzsp21.com](mailto:suzette.gutierrez@dzsp21.com).

We look forward to your support of the Charlie Corn Scholarship Fund and the SAME Guam Post. For more information, please feel free to contact any of the SAME Guam Post Charlie Corn Golf Tournament Committee persons below.
