ALL LEVELS SNOWPLOW SAM TO ADVANCED

Dear Skaters and Parents;

Thank you so much for being involved in the programs at Rocket Ice. We truly enjoy sharing our favorite sport with all of you. The Spring Ice Show was a lot of fun for the students and coaches. Congrats to all!

Sign up now for our Summer "Showcase on Ice" show! This is a great way to have fun ice skating all summer long. It's the perfect way to sharpen your skills, stay active, and enjoy being a part of a show. It is open to all students with numbers for all levels including Snowplow Sam 1 and Basic 1 right up to our most advanced Freestyle Skaters!

The ice show will be **Saturday, July 18th 12:30 - 2:00 pm and 3:30 - 5:00 pm**. Practices will be during the 5 weeks prior to the show on Thursday evenings. Students will be assigned practices between 6:30pm and 7:40pm on Thursdays and have approximately five practices per number (June 11 - July 16). We realize some family vacations will occur, so missing a practice in the Summer is okay.

The coaches and I encourage you to be a part of the show. It is great fun and allows you to put your skating skills into action and have more exciting times with your friends from skating.

The show will be professionally recorded and placed on YouTube for free viewing. Grandparents, aunts, uncles and friends anywhere will be able to enjoy watching the show at their convenience and seeing their special stars on ice! Four tickets will be available for each skater per show. Any additional, available tickets go on sale the morning of Friday, July 17th, 2026.

It is only \$174.00 per skater to be in the show.

Each student will be in a group number based upon their level. Skaters currently taking private lessons at Rocket Ice can sign up for quads, trios, duets or solos. **Sign up online, deadline for sign up is June 5th.**

Thank you,

Michelle Tepkasetkul
Figure Skating Director
