

Friday Electives 2019-20

Sailing - 5pm pick-up for this off-campus elective. Students will learn to sail at the SB sailing center with Will and Danielle. 8 student max!

Surf Team - Students received info at the meeting on Wednesday, but this elective will take place Thursday mornings at 6:45am before school and Friday afternoon with a pick-up time at 5:30pm.

Ocean Sports - 5:30pm pick-up. 18 student max. SBMS staff transport students to and from Santa Claus on Friday's to surf, swim and boogie board.

Mountain Biking - 5:30pm pick-up. SBMS staff transport students to and from different trails to mountain bike.

Golf - Students learn the basic skills and get play a 9-hole course. Pick-up will be at 4pm in Goleta OR 4:30pm at school. 4 or 8 students max.

Food Exploration - PA arranges field trips to local culinary hot spots. 8 students max.

Community Furriness - Students get the opportunity to volunteer with animals at local non-profits. Late pickup at 4:30pm. 8 students max.

Robotics - The robotics team is for 6th and 7th grade students who will build a robot to compete against other teams. Last year's team placed and advanced from regional competitions to statewide events! Late dismissal and some Diamond Time meetings as well as some weekend competitions and most importantly, lots of tasty snack breaks :)

Cardboard Art - Free expression art with Big E. Cardboard, paint, glue and all other mediums meld together to a personal journey of expressive art. 3:30 pick-up.

Art Journals - Journaling with Maureen. This is a mellow class where students are free to write, draw, collage or express themselves in a personal journal however they feel inspired to on that day. 8 students max.

Ultimate Frisbee - All levels of ultimate players are welcome. This is a high-energy, fast-paced game led by Jaeger who has played at a high level. 3:30 pickup. No max students.

Mixed Media Collage - Sophie, our lead art teacher will be teaching this popular art class. 3:30pm pick-up. In this Friday elective, we will combine drawing, painting, printmaking, sculpture and more to create awesome works of art! Using treasures from Art From Scrap, magazine cuttings, inks, canvas, wood, acrylic paint, watercolors, fabric, wire, etc. we will make 3D art works that are interesting and full of experimentation, personal meaning and colorful expression.

Beading - Teresa teaches a beading class where students can learn to make their own jewelry and other items. 3:30pm pick-up.

Directing - Specialist Amy Love, who has taught acting and improv along with several other projects, will be offering our first ever directing class. 3:30pm pick-up.

Oooh Pretty - Pam's craft art class with all things shiny and glittery is a fun way to end the week! 3:30pm pick-up.

Picnic and Poetry - Elyse, our own zen poet, will be leading a walk to nearby parks for picnics and poetry. 3:30pm pick-up.

Music/Band - Daniel Lower will be leading a group of students in how to start and form a band! Guitarists, drummers, pianists, and vocalists are all welcome! 3:30pm pick-up.
