Pre-Trip Family Advice

- SBMS recommends that all students have a restful (sleep-over free) weekend so that they can bring their strongest, most healthy selves to our epic Fall Expedition to Morro Bay.
- Please remember to label everything (gear, tents, helmets, clothes) going on the trip!
- If your child is feeling sick before the trip, please reach out to Erin F. to make a decision on if they are well enough to come along.

GUIDE TO HOMECOMING

When: Saturday, Oct. 26, students and staff will be biking in at 2pm;
parents arrive by 1:30pm to be ready!

Where: Goleta Beach Park

What is Homecoming?

Homecoming is a celebration of our students returning home from the Fall Expedition. Whether the challenge is being away from home, completing the bike rides, being a leader to their peers, or simply getting themselves up and ready in the morning, your kids will have met their personal challenges and be different upon their return. In celebration, the parents put

on a big welcome home party. We need help from all families to make this event a festive success!

Homecoming Sign-Making Parties

- Monday, October 21st 8:30-10am, SBMS Art Room AND
- Wednesday, October 23rd, 6-8pm, SBMS Art Room

ARRIVAL AND PICK UP DETAILS

First of all, we would like to thank all the parent and family volunteers who signed up to make this day so special. It would not be homecoming without all of you! Students will bike in at 2pm - Parents arrive before 1:30pm.

Here are some IMPORTANT instructions for Saturday:

- Parents who are bringing food, please drive at 1pm.
- We need everyone parked, lining the road and holding up their welcome sign by 1:30pm before the kids arrive. Don't be late or you will miss this very special mass arrival!
- Plan on picking up your child's duffel bags BEFORE the Homecoming celebration and putting it in your car. Don't forget, you will need to bring home your child's bike.
- Before the riders return, Brian will tell us how the trip went...bring tissues.
- Children will ride in from the south, along the entry road into the park and enter the lawn area by the bathrooms and into a big spiral just south of picnic Area A. Please wait until ALL the students ride COMPLETELY into the spiral before rushing in to congratulate, hug, and embarrass these exhausted travelers.
- Stay for pizza, baked goods, etc. - or just grab some food on your way out.
- If you signed up to help with clean-up after the kids start to clear out, please consider bringing 2 cars or arrange alternate transportation...your rider will be tired and may want to head home!
