Edge to Edge Quilting w/Embroidery Machine—

Ever make a lap quilt or baby quilt – maybe a wall hanging that you want to quilt but you don't want to wait for it to go to the long arm person or don't want to try free motion quilting? Then have we got the solution for you! Do the quilting in your embroidery hoop! Amelie Scott Designs has created a great method to do simple quilting right in your embroidery hoop. We will use her book called "Edge to Edge Quilting" (purchase required and available at JSS). There are 3 sizes of designs to it (but only 2 fit our machines) – 240 x 150 or 200 x 360. You choose which one to use! OR if you have the 240 x 150 metal hoop – bring that and try it!

We will be using a quilt pattern called "Ombre Gems" (purchase at JSS REQUIRED). ****Please pick up the pattern to use for cutting instructions****
