Sew A Little Love

Community Service Project—Days for Girls Monday, February 11 and Friday, February 15—10-3 pm

We are SEW excited about this project. Kathy Erickson, leader of the MN Twin Cities D4G team, will be showing a short video and talking about her trips to Kibera in Nairobi, Kenya before class. Without the help of volunteers sewing these projects, girls would have to stay home from school during certain times of the month. If you are interested in donating fabrics, please contact us and we will be happy to email a list of specific fabrics they use. When you sign up for event, please let us know if you will be bringing sewing machine or serger.

Finish Up Friday— We're moving right along and some have finished the first project on their list and have started their second project.

Friday, Feb 1—10-3 pm
