

## Just Sew Studio Repair Shop w/On-Site certified Pfaff Technician

---

### What we repair?

Domestic machines (mechanical & electronic)

Serger's

We do not repair industrial machines.

Long Arm machines (call before bringing in, space is limited)

We do not accept machines in a cabinet; machine must be out of the cabinet before coming to the shop.

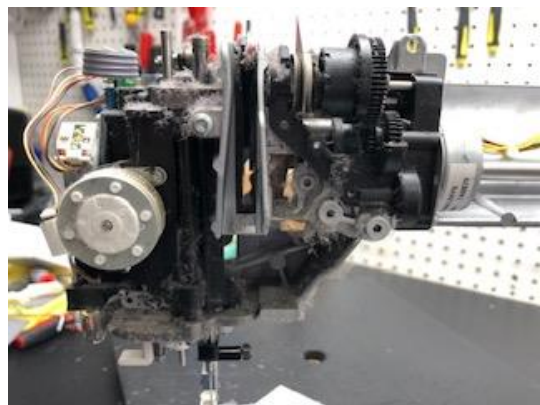

### How does the process work?

Do I need to make an appointment to bring in my machine? NO

Bring machine in during business hours, no appointment is necessary!

### What to bring with machine? (Some items may be returned if we already have them.)

<b>NEED:</b>	Zig Zag needle plate on machine Foot control & power cord
<b>Do NOT NEED:</b>	No thread, unless using a specialty thread No accessory trays No spool holders

NOTE: We encourage annual full-tune up's on machines to clean out what you can't and keep your machine running well!
