

π

Numeracy in SD 83

- › Why focus on numeracy?
 - Consistently performing below provincial average:
 - › FSA 4 and 7
 - › Graduation Numeracy Assessment
 - › Math 10 provincial exams (prior to 2018)
 - › This matches with our district level assessments as well.
- › Our response
 - District wide: instructional/pedagogical support; Pro D
 - Numeracy helping teachers
 - Direct support in classrooms
 - Critical thinking/problem solving focus
