National message to Group Commissioners, Group Support Scouters and Scouting Relationship Managers to accompany *Group First Aid Needs and Resources Survey*

Good day Scouters,

As we work on a plan to provide first aid training in your Council, we need to gather some information to inform the plan. We have started to recruit instructors from your Council and now need to know about the needs at the Group level. Depending on where things stand with pandemic stages, we hope to be able to stand up courses in the near future, hopefully by summer or early fall. We plan to offer them in different parts of the country, and the information you provide about your Group's needs will help us in doing so.

Please complete the survey found at:
